## Community Connections Programme

### UK Community Form

We are delighted that you have decided to join us in supporting our work in Humla. We hope that you gain a lot from the Community Connections Programme, learning about another culture and way of life, as well as witnessing the benefits that the people of Humla will gain thanks to your donations. Throughout your participation in the programme we would like to invite you to feedback on your experience – as this is a new initiative, we would appreciate your

comments and advice on how we can develop and improve.
